When multiple pyramids are built at the same time, each pyramid will be treated separately. If additional deductions are a result of the initial fall/falls, only 1 Pyramid Fall will be issued for that pyramid. Once a pyramid is rebuilt and shows stability, additional deductions can be given.

- Teams should refrain from any type of excessive celebration following the team's performance (team huddles, alternates/coaches entering the competition floor, and/or falling to the ground following the performance).
- Teams that fall during skill(s) at the end/after the performance will receive the deductions matching the type of fall.

## **Time Limits – 1.0/2.0**
